NOTICE OF OPPOSITION

Lifetouch Inc., a Minnesota corporation located at 11000 Viking Drive, Suite 400W, Eden Prairie, Minnesota 55344 (“Opposer”), believes that it will be damaged by registration of the marks MY LIFE TOUCH, Serial No. 86/428976 and LIFE TOUCH, Serial No. 86/428985, filed on October 20, 2014 by Xelios Biometrics, Inc., and hereby opposes the same. The grounds for opposition are as follows:

1. By the application herein opposed, Applicant seeks to obtain under the provisions of the Trademark Act, registration on the Principal Register of the marks MY LIFE TOUCH and LIFE TOUCH for “Providing medical information and patient identification information to emergency responders, medical personnel, members, and designees of members via a 24-hour monitoring service and call-in center; providing medical information to allow members to update their medical and personal files; maintaining medical files and records concerning the medical conditions and advance directives of individuals and the identification information of physicians, family, and other persons; emergency medical response services,” in International Class 44.

2. Applicant's marks published for opposition on December 15, 2015. Opposer filed and the Board approved an extension of time to oppose Applicant's mark until April 13, 2016. This Notice of Opposition is timely filed.

3. Since at least as early as 1984, Opposer has used LIFETOUCH as its corporate name and trademark in connection with a broad offering of products and services relating to photography, and computer software for storing, downloading, manipulating, organizing and viewing digital images and photographs. For example, Lifetouch provides photography for families, schools and places of worship, with operations in all 50 states.

4. Lifetouch also support schools with administrative tools and services that help keep students and data secure. For example, since at least as early as 2005, Opposer has used the mark LIFETOUCH in conjunction with its "SmileSafe" program. The LIFETOUCH SmileSafe program allows customers to request digital identification cards to be used in the event that their child is missing. The digital identification cards include photographic images of the child. The LIFETOUCH SmileSafe program also allows customers to create a Child ID Kit, to be used in the event the child goes missing. The Child ID Kit includes additional descriptive information about the child, such as height, weight, physical traits, and fingerprint information.

5. Opposer owns numerous registrations and applications for its well-known family of LIFETOUCH marks, including the following:

Current printouts of information from the electronic database records of the USPTO showing the current status and title of the registrations are attached hereto as Exhibit A.

6. The registrations listed in the above table have not been canceled, are valid, and are now in full force and effect.

7. The following registrations are incontestable under Section 15 of the Lanham Act, 15 U.S.C. § 1065: Registration Nos. 1323758; 1323226; 1631112; 1638363; 1647707; 1672864; 2570744; 3272486; 2813504; 2617557; and 2627847. Consequently, these registrations are conclusive evidence of the validity of the registered marks and of the registration of the marks, of Opposer's ownership of the marks, and of Opposer's exclusive right to use the registered marks in commerce under Section 33 of the Lanham Act, 15 U.S.C. § 1115.

8. Opposer's common law use of LIFETOUCH in association with various photographic, imaging, and biometric goods and services and Opposer's registrations, as listed in the above table, have inured significant goodwill to the benefit of Opposer (collectively, "LIFETOUCH marks.")

9. Opposer has advertised and promoted its LIFETOUCH marks extensively. Opposer has also made substantial sales of products and services under said marks. As a result of such use and promotion, Opposer's LIFETOUCH marks have developed and represent valuable goodwill inuring to the benefit of Opposer. In addition, Opposer's LIFETOUCH mark is famous, and became famous prior to the filing date of Applicant's application.

10. Opposer adopted and commenced use of the term LIFETOUCH as a trademark long before Applicant adopted the LIFE TOUCH and MY LIFE TOUCH marks. Opposer's first usage of the LIFETOUCH mark commenced at least as early as June 11, 1984, over thirty (30) years before Applicant's filing date of its application. Opposer therefore has priority over Applicant with respect to the marks at issue.

11. Upon information and belief, Applicant has not used Applicant's mark in commerce prior to Applicant's October 20, 2014, filing date. In addition, upon information and belief, Applicant has not used Applicant's mark in commerce.

12. Applicant's LIFE TOUCH and MY LIFE TOUCH marks are confusingly and deceptively similar to Opposer's previously used and registered LIFETOUCH marks.

13. The goods and services provided by Opposer under its LIFETOUCH marks are closely related to the services listed in Applicant's application for registration of the LIFE TOUCH and MY LIFE TOUCH marks. For example, Opposer provides software for imagery and photographs as well as biometric identification services to customers, which are closely related to Applicant's services of "providing medical information and patient identification information." In addition, Opposer and Applicant both provide this information to emergency responders.

14. Applicant had knowledge of the fact that Opposer used the term LIFETOUCH as a trademark before it adopted the LIFE TOUCH and MY LIFE TOUCH marks.

15. Opposer's and Applicant's services are promoted and sold in the same channels of trade to the same consumers or class of consumers.

16. The parties' marks are nearly identical in sight, sound and commercial impression.

17. Due to the similarity between Applicant's claimed marks, LIFE TOUCH and MY LIFE TOUCH, and Opposer's previously used and duly registered LIFETOUCH marks, the closely related nature of the services of the respective parties, customers and potential customers are likely to believe that Applicant's services originate from Opposer, resulting in a likelihood of confusion in the marketplace, and damage to Opposer.

18. The use and registration by Applicant of the marks LIFE TOUCH and MY LIFE TOUCH for Applicant's services is likely to cause confusion or to cause mistake or deception in the trade, and among purchasers and potential purchasers, with Opposer's previously used and duly registered LIFETOUCH marks, again resulting in damage to Opposer.

19. Because of the closely related nature of the services, and the similarity of the marks, use and registration of the terms LIFE TOUCH and MY LIFE TOUCH by Applicant is likely to cause confusion, mistake, or deception that Applicant's services are those of Opposer, or are otherwise endorsed, sponsored, or approved by Opposer for use with Opposer's services causing further damage to Opposer.

20. The use and registration by Applicant of the marks LIFE TOUCH and MY LIFE TOUCH is likely to dilute the distinctiveness of Opposer's famous LIFETOUCH mark.

21. If Applicant is granted registration of the mark herein opposed, it would thereby obtain at least a *prima facie* exclusive right to the use of its alleged mark. Such registration would be a source of further damage and injury to Opposer.

22. Registration of the marks shown in Application Serial Nos. 86/428976 and 86/428985 will result in damage to Opposer under the provisions of Section 2 of the U.S. Trademark Act, 15 U.S.C. Section 1052, pursuant to the allegations stated above.

WHEREFORE, Opposer asks that its opposition to this application be sustained and that registration of the term LIFE TOUCH and MY LIFE TOUCH for the services set forth therein be refused.
